

## Outdoor Living Supply Acquires Bedrock Landscape Supply

Offering a Better Way to Grow.

**Rochester, MN – October 20, 2022** – Outdoor Living Supply (“OLS”), a distribution platform for outdoor living products with a focus on hardscapes, announced today it has acquired Bedrock Landscape Supply (“the Company”), an independent distributor of natural stone, pavers, bulk materials, and landscape supplies to the Las Vegas and Henderson, Nevada markets. This acquisition gives OLS a foothold in this fast-growing region as OLS continues to expand its network westward.

Based in Las Vegas, Bedrock Landscape Supply is a family-owned business founded in 2018 by Mark Wilson. The Company’s high-quality materials and knowledgeable, customer-centric employees have earned it a reputation with professional and DIY customers alike. Going forward, Mark will stay with the Company to run the business, ensuring continuity and consistency for customers, suppliers, and employees.

“Bedrock Landscape Supply is a great addition to our OLS family of companies, providing us with the perfect entry into the expanding Las Vegas market,” commented Brian Price, CEO of OLS. “It is my pleasure to welcome Mark and his talented team to OLS. I look forward to seeing what our combined teams will accomplish together.”

Mark Wilson, Owner of Bedrock Landscape Supply, added, “We are excited to begin this next phase of growth with OLS. OLS is our right partner, as they share our passion for delivering an exceptional customer experience and are committed to providing the resources needed to expand opportunities for our associates and customers.”

Faegre Drinker Biddle & Reath LLP served as legal advisor to OLS.
